

Outcome:

To enable the nurse to increase knowledge on electroconvulsive therapy, surgical management of BPH, the obese patient, preoperative tips on getting to the OR on time and rare trauma injuries.

Target Audience:

All perianaesthesia nurses

Overall Program Objective:

Discuss clinical priorities for the perianesthesia nurse.

Accreditation

This activity has been submitted to the American Society of Perianesthesia Nurses for approval to award contact hours. The American Society of Perianesthesia Nurses is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

For more information regarding contact hours, please contact the Nurse Planner, Tracy Galyon, BSN, RN, CPAN at tralgal@yahoo.com

Message from the President

OSPAN is excited to offer another great conference with a variety of subjects at Saint Francis Hospital in Tulsa!

Our Spring Conference is our annual election time and we have opportunities for you to serve with this fun and exciting group of professionals.

There are many opportunities within our state organization to lead us into the future of medicine and we welcome your interest and participation. Please speak to any board member or complete the "Willingness to Serve" form in your packet or on our website ospan.org if you are interested in being active on our board. We are excited for the future of nursing and especially for the future of OSPAN.

Thank you for your continued support of OSPAN and we look forward to seeing each of you in Tulsa this Spring!

***Tracy Galyon, BSN, RN, CPAN
OSPAN President***

About Us

Oklahoma Society of Perianesthesia Nurses (OSPAN) is a component of our national organization the American Society of Perianesthesia Nurses (ASPAN). We are nurses that care for patients throughout the continuum of a patient surgical experience. This includes bedside nurses and nurse leaders working for a common goal.

Mission

OSPAN exists to promote quality and cost effective care for patients, their families, and the community, through public and professional education, research, and standards of practice for all Perianesthesia nurses, including those in Phase 1 and Phase 2 PACU's, Same Day Surgery units, Endoscopy Labs, Cath Labs, and all other areas where IV sedation is administered.

Disclosure Statement

All planners and presenters at nursing continuing education activities are required to disclose to the audience any significant financial relationships with the manufacturer(s) of any commercial products, goods or services. Such disclosures will be made in writing in the course presentation materials.
